Robert Bruce Belford

Date. 4/16/2004

AMENDMENTS TO BACKGROUND OF THE INVENTION

In response to letter sent to me on march 22, 2004. please enter the following amendments and remarks to the specifications

On page 1, (Cancel) the previous BACKGROUND OF THE INVEN -
TION and replace it with a "new" one with a better explanation, with
"no new matter" to the disclosure.

AMENDMENTS TO BRIEF DESCRIPTION OF SEVERAL VIEWS OF THE DRAWINGS

In response to letter sent to me on march 22, 2004. please enter the following amendments and remarks to the specifications.

On page 2, I have (canceled) the BRIEF DESCRIPTION OF SEVERAL VIEWS OF THE DRAWINGS, and completely rewritten a "new" one on page 2, and 3, , so I could describe what the different views marked with A,B, and C were in the drawings, with "no new matter" added to the disclosure.

AMENDMENTS to the Drawings

In response to a letter sent to me on march 22, 2004. please enter the following amendments and remarks to the specifications.

In the drawings I have removed all text, and moved the Fig. No. to the bottom of the page, I also added "new" letters A,B, and C, to the drawings to describe different views of the drawings, with "no new matter" added to the disclosure.

I have (canceled) all previous drawings, and replaced them with "new" ones. and I'm sending a "new" complete set of specifications, and drawings.
